

ORDERING CURRICULUM

Zion Christian University offers a unique curriculum which includes course materials and textbooks written by the faculty of ZCU. We desire the anointed teaching provided in our curriculum to be a blessing to everyone. Therefore, we are making part of the ZCU curriculum available to schools that do not desire affiliation or association. Schools are eligible to purchase part of the curriculum and can receive a discount for purchasing textbooks in bulk. For more information about ordering the ZCU curriculum or textbooks please contact the Global Network Office.

ABOUT CHURCH MINISTRY PROGRAM

The Church Ministry Program was designed by Zion Fellowship to bring Bible training to the local church anywhere in the world. Because many people desire Biblical instruction but are unable to attend a traditional school, this program is an excellent opportunity to have the same life-changing truths taught within the convenience of their own church. While the Church Ministry Program is not a degree-granting, it is our objective to instill divine wisdom and knowledge to every open heart, and equip the members of each church for God's soon coming harvest.

This program has many benefits for the church, which include:

- A complete Bible program including course materials that may be used freely
- Bible Training Certificate & Diploma samples which may be customized and used
- Biblically based textbooks which may be purchased at a bulk discount rate

The Church Ministry Program does not confer affiliation, association, or bible school status to a church.

ABOUT GLOBAL NETWORK

The Global Network operates through Zion Christian University, a Spirit-filled University, located in Clearwater, Florida and Zion Fellowship International, a Pentecostal association of pastors, missionaries, churches, and Bible schools. ZCU is also an associate member of American Federation of Colleges and Seminaries, an agency that has established a quality educational standard for evangelical colleges and seminaries that do not seek secular accreditation.

The Global Network consists of Bible Schools, Churches, and Christian organizations around the world, that seek to train leaders to be wholehearted for the Lord, filled with the Holy Spirit and the knowledge of God's word, and have a heavenly vision. The theme verse of the Global Network is Psalm 34:3, "O send out thy light and thy truth: let them lead me; let them bring me unto thy holy hill, and to thy tabernacles." It is truly our desire to send forth the light and truth of God's word that it may lead many to the dwelling place of God, which is Mount Zion.

The Global Network also desires to take the Gospel of Jesus Christ to every corner of the world to raise up spiritual kings and priests (Rev 5:9-10). As such, our objective is to teach the Word of God in every nation through the Global Network. We invite you to be a part of the Network and fulfill this high and holy calling.

Schools, churches, and Christian organizations may become a part of the Global Network through affiliation, association, the church ministry program, or by using the ZCU curriculum. A brief outline of these levels of the Network is included in this brochure.

BIBLE SCHOOL AFFILIATION

Affiliation with Zion Christian University has many benefits. In addition to becoming a part of the Global Network of schools, one of the greatest benefits is to receive the anointed teaching of Zion. ZCU offers a unique curriculum which provides not only the course materials but also the textbooks which have been written by the faculty of the university.

In addition to these benefits, affiliation provides the following:

- Spiritual direction and counsel
- ZCU curriculum and textbooks
- Forms and processes necessary to operate as an affiliate school
- Certificates, diplomas, and degrees issued by ZCU

Affiliation with Zion Christian University is available to Bible Schools that meet the following minimum criteria:

- Conform to the spiritual and academic standards of ZCU
- Register as a diploma-granting institution
- Complete the Affiliation Application and submit all required materials
- Available for an interview with a representative of the Global Network
- Complete Faculty Applications

Affiliation with Zion Christian University is a spiritual affiliation, not a legal one. ZCU does not confer United States federal tax-exempt status (501.c.3) or corporate status upon its affiliated schools. Affiliated schools are required to form their own incorporation. Furthermore, ZCU does not require affiliate schools to pay a percentage of their annual income to the organization, but a small annual renewal fee to cover administrative costs.

BIBLE SCHOOL ASSOCIATION

Association with Zion Christian University is available to any school that desires to be part of the Global Network, use the ZCU curriculum, but do not desire to comply with the affiliation standards. Association with ZCU provides an excellent opportunity for schools to be a part of the Global Network, without becoming an affiliate member.

Association with ZCU has many benefits, which include:

- Consultation from the ZCU administration
- Obtaining the ZCU curriculum that can be modified for use within their schools
- Ability to receive a discount on textbook purchases
- An agreement whereby credits completed at the associate school may be transferred to ZCU
- Listed on the ZCU website as Associate Schools

Association with Zion Christian University is available to Bible Schools that meet the following minimum criteria:

- Agree with the basic tenants of the ZCU statement of faith
- Register as a diploma granting institution
- Complete the Association Application and submit all required forms

Association with Zion Christian University does not represent a legal partnership, contractual relationship or agency relationship of any sort. ZCU does not confer on the associate school US tax exemption, accreditation, or any other legal privileges currently applicable to ZCU or any of its affiliates. Furthermore, associate schools may not grant any type of certificates, diplomas, or degrees in the name of ZCU.
